Podizni stolovi iz programa Flexy Plus s elektro-podesivom potkonstrukcijom imaju mogućnost podešavanja visine stola od 62-126 cm. Time omogućuju promjenu radnog položaja iz sjedećeg u stojeći, i obrnuto. Podešavanje stola je vrlo jednostavno, pomoću programabilne upravljačke jedinice, a rad podiznog mehanizma je izrazito lagan i gotovo bešuman. Stoga upravljačka jedinica omogućuje pohranjivanje 4 različite visinske pozicije te je time olakšano zajedničko korištenje radnog mjesta od strane više korisnika.

Lifting desks from the Flexy Plus line with electrically adjustable substructure can be adjusted to the height from 62 to 126 cm. This allows you to change your working position from sitting to standing and vice versa. Setting the desk is very simple using the programmable control unit and the lifting mechanism is very light and almost silent. The control unit allows you to store 4 different height positions and facilitates shared use of a workstation by multiple users.

Po želji je moguće i personaliziranje upravljačke jedinice pomoću apliciranja logotipa. Mijenjanje radnog položaja tijekom radnog dana pozitivno utječe na fizičko i emotivno zdravlje. Stoga upravljačka jedinica na stolovima iz programa Flexy Plus ima funkciju podsjetnika o dužini rada u sjedećem položaju, pomoću LED svjetlosnih traka.

The control unit can also be personalised by applying a logo. Changing the work position during the day positively affects physical and emotional health. For this reason the control unit on the Flexy Plus desks has a reminder function for the length of work in the sitting position, using LED light strips.

Desk Control aplikacija za pametne telefone povezuje se sa stolom putem bluetooth tehnologije te omogućuje upravljanje stolom te mijenjanje postavki putem pametnog telefona. Mobilna aplikacija potiče korisnika da ustane i podigne stol na određeni vremenskim period, ovisno o odabranim postavkama, čime pridonosi prevenciji zdravstvenih problema povezanih s dugotrajnim sjedenjem.

The Desk Control smartphone app is connected to the desk via Bluetooth, allowing desk management and changing the settings via smartphone. The mobile app reminds the user to stand up and lift the desk for a certain time period, depending on the selected settings, thereby helping to prevent health problems related to long-term sitting.

Podizni stolovi iz programa Flexy Plus imaju ugrađen senzor koji omogućuje automatsko zaustavljanje pri nailasku na prepreku. Stolovi iz programa Flexy Plus dostupni su u dimenzijama širine L140-200 cm te dubine 80 cm. Topovi stolova izrađeni su od iverala debljine 25 mm u bijeloj i sivoj boji te dekoru javora i trešnje. Potkonstrukcija stolova u standardnoj izvedbi je u crnoj boji mat obrade RAL 9005 te, opcionalno, u sivoj RAL 9006 ili bijeloj RAL 9016.

Lifting desks from the Flexy Plus line have an integrated sensor that enables automatic stopping in case of an obstacle.

The Flexy Plus line desks are available in dimensions of L140-200 cm wide and 80 cm deep. The tops are made of 25 mm thick plywood in white and gray as well as maple or cherry finish. The desk substructure comes in black matte RAL 9005 finish as standard and optionally in grey RAL 9006 or white RAL 9016.

Moguć je odabir dodatka za vertikalno odnosno horizontalno provođenje instalacija, kao i nosača za PC koji se montira ispod radne ploče stola.

Accessories for vertical or horizontal installations as well as PC mounts fixed under the table top, can be selected.

Svi artikli sukladni su odgovarajućim hrvatskim (HRN) i europskim (EN) normama.

Za standardni program roba se isporučuje sa skladišta s vrlo kratkim rokovima isporuke. Dostava i montaža su osigurane.

Odobravamo značajne rabate, ovisno o vrijednosti kupljene robe. Za plaćanje po predračunu odobravamo kasaskonto.

Garancija 5 godina. Omogućujemo oblik financiranja putem operativnog najma na period od 12-60 mjeseci.

All items have the appropriate certificate under the ordinance of mandatory testing of furniture. Standard products are shipped from the warehouse with very short delivery time. Delivery and installation are provided. Warranty is 5 years. We grant substantial rebates depending on the value of purchased products. For advance payments we allow additional discount.
